

Rawlinson & Hunter LLP is delighted and honoured to be announced as the winner of the prestigious award for **Private Client Accountancy Firm (Boutique)** at the **privateclient Excellence Awards 2021**.

James Symonds, IT & Operations Director, collected the award on behalf of the Firm, and in his acceptance speech said:

“Recent times have obviously been very challenging, and I am very proud of how our R&H has supported their staff. We have had to become much more agile and forward thinking, leading to a significant amount of change being introduced, both in terms of working practices and culture, in order to keep our staff as safe as possible both physically and mentally. Our staff have responded superbly and in turn they have supported our clients with their challenges.”

The award is therefore testament to the hard work of the unsung heroes of the pandemic - our support teams who pulled together to keep the Firm operating efficiently during the crisis - as well as the dedication, technical excellence and hard work of all in the Firm as we strove to serve our clients during those challenging times.

Congratulations to everyone at Rawlinson & Hunter for the award, and for weathering the storms of 2020 and 2021.
